

## HOST FAMILIES WANTED

The Marshals & Copperheads host families generously open their homes to our players and show them what "southern hospitality" is all about in North Texas. The program begins May 30 and goes through the end of the season. The regular season ends Aug. 9 w/playoffs ending Aug. 16. Hosts are asked to provide a room with a bed and bathroom facilities. Host families are not compensated, but **DO receive season tickets (# negotiable)**. This program offers a unique opportunity to support our players as they live out their dream. Our host families are an integral part of the player's stay here in North Texas, as well as the Marshals & Copperheads organization.

**HOST FAMILIES ARE TRULY SECOND TO NONE!**
